

# Apartment handsets

**Please be sure your apartment handset (intercom phone) is hung up correctly.**

If your handset is **not** correctly hung -up "OCC " will begin flashing on all Mondrian entry gate intercom screens. This will deny visitors contacting **all Mondrian apartments** from all intercoms.

When the apartment handset is hung up correctly " OCC " will disappear and the access control system will operate correctly again.

This inconvenience affects all Mondrian residents so please be sure to hang your handsets up correctly.

Please don't hesitate to contact the building manager with any questions relating to this issue.
