

# Mondrian letterboxes

Building Management has received reports of mail theft from the Mondrian letterboxes. It is the resident's responsibility to ensure their letterbox is locked at all times. It is also vital that no valuables (i.e. keys) be left in the letterboxes at any time.

In response to this issue building management has arranged for all letterbox locks to be changed to a non-mastered key system. This system will provide a higher level of security for the all Mondrian letterboxes.

Building management will advise all Mondrian residents as to when the new keys can be collected from the building manager.

Please don't hesitate to contact the building manager with any questions relating to this issue.
