

## **Sand blasting Mondrian swimming pool**

Please be aware sand blasting will be in progress in the Mondrian swimming pool from **Tuesday 4<sup>th</sup> Nov. to 6<sup>th</sup> Nov. 2014.**

Whilst resident's consideration will be taken during this time there will be some noise & dust disturbance.

Building management is working closely with all contractors involved to ensure that disturbance from noise & dust is minimised. However while the dust can be contained the noise from sandblasting will be unavoidable. If you are working from home on these days you may want to consider making alternative arrangements.

Please see your apartment doors and windows are shut as dust may be present.

Please don't hesitate to contact the building manager with any questions relating to these works.

Building Management
